Venue Information

The Half Moon is a large pub featuring a 220-capacity live music venue and an upstairs terrace with a retractable roof.

The pub, venue, and garden have step-free access throughout. Level access is via the garden, through the gate to the right of the main entrance. Upon entering the pub this way, the performance space can be found through the double doors on the right-hand side.

We also have a fully accessible toilet located in the bar area of the venue. If you require early entry for one of our shows, or if you are visiting with a Personal Assistant, please email music@halfmoon.co.uk and we will be happy to assist.

Unfortunately, the upstairs terrace does not have step-free access. It may be accessible for some, but not for all.

Live Music Events

Live music events at The Half Moon may be seated or standing, depending on the event. Please contact us for details about specific nights.

There is a cushioned pew at the back of the room which can be reserved if required. Please note this area is slightly raised and accessed by a single step. If you would prefer a space with seating and no step, please get in touch in advance and make yourself known to our door staff, who will be happy to help.

Please also note that some shows may include strobe lighting.

For any access enquiries, please email music@halfmoon.co.uk and we will aim to respond within 24 hours.
